

# Arrival & Departure

---

## Times

**Camper Drop off time is from 10:30-11:30 am, Pick up time is from 10:30-11:30 am.** Campers will only be released to parents, documented supports or legal guardians unless otherwise instructed.

## Arrivals

Registration will take place outside where possible. You and your camper will be directed by our staff upon arrival. Please note that we will receive each vehicle in the order of arrival and process each camper individually. Please do not come earlier than the designated time. We also ask that you remain with your vehicle until instructed by staff.

- Our Health Care staff will receive any medications at this time, to verify and ensure safe-keeping of medications. Please have camper medications easily accessible as it will need to be removed from the luggage at this time.
- **Note:** If you are dropping off more than one camper, each camper's medications must be packed separately.
- If you or the camper are bringing speciality foods it will also need to be presented at this time.
- You will also meet our senior staff at Registration. A support worker that will be with you or the camper during the week will be available to take the camper to their cabin. There is ample opportunity to talk to the support workers who will be providing direct support to the camper.
- Luggage will then be transported to the assigned cabin by our capable facility staff team members.
- It is important for parents, caregivers, and/or guardians to stay until the camper has fully registered. Please do not leave until this process is complete.
- Parents and caregivers are welcome to stay to settle in their camper if desired.

## **Departure Day**

Campers must leave camp between **10:30 AM and 11:30 AM** on departure day. This is important, because staff cannot begin cleanup for the next session until their responsibilities to the campers have ended. If an unforeseen incident will delay your arrival, please phone ahead. Campers will be given a bag lunch for the ride home.

## Cancellations

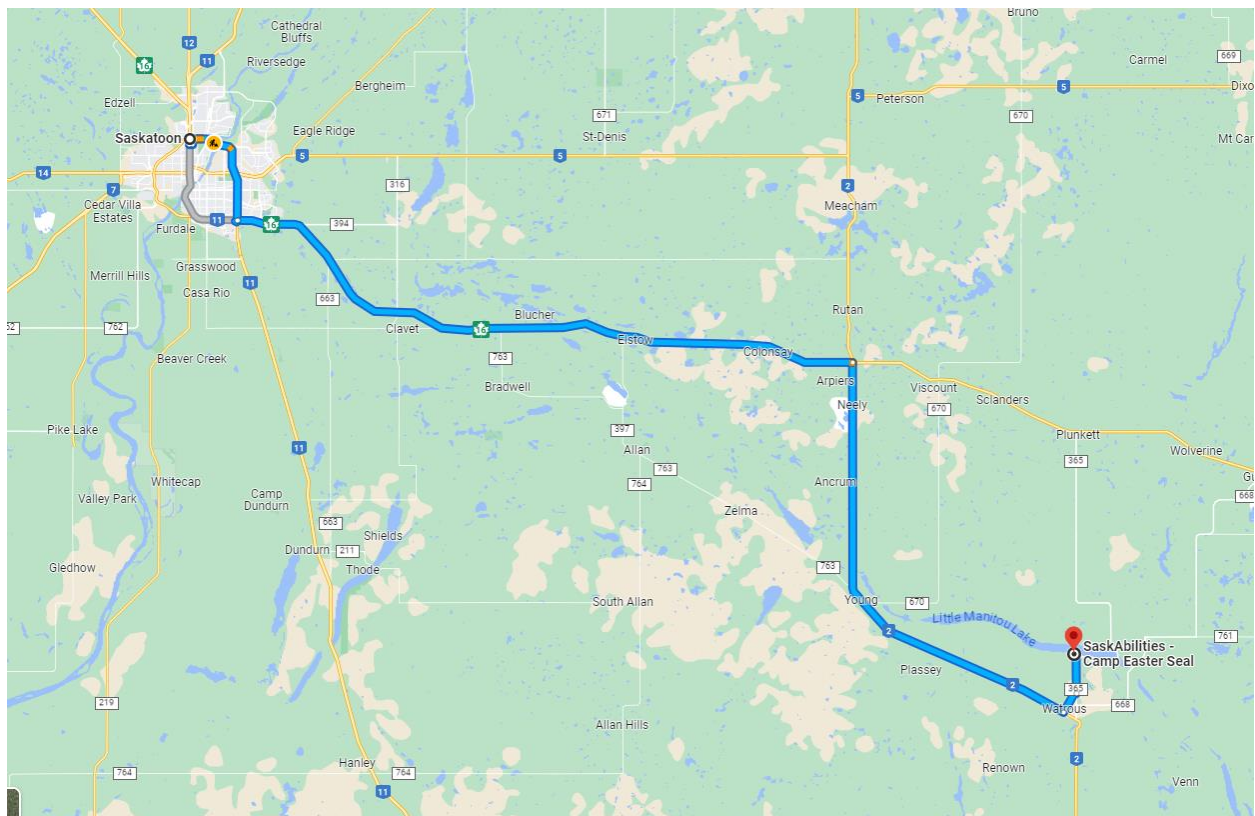

If for some reason a camper must cancel their camp session, we ask that you **notify our office as soon as possible**. We often have campers waiting for a spot.

## Driving to Camp Easter Seal in Manitou Beach?

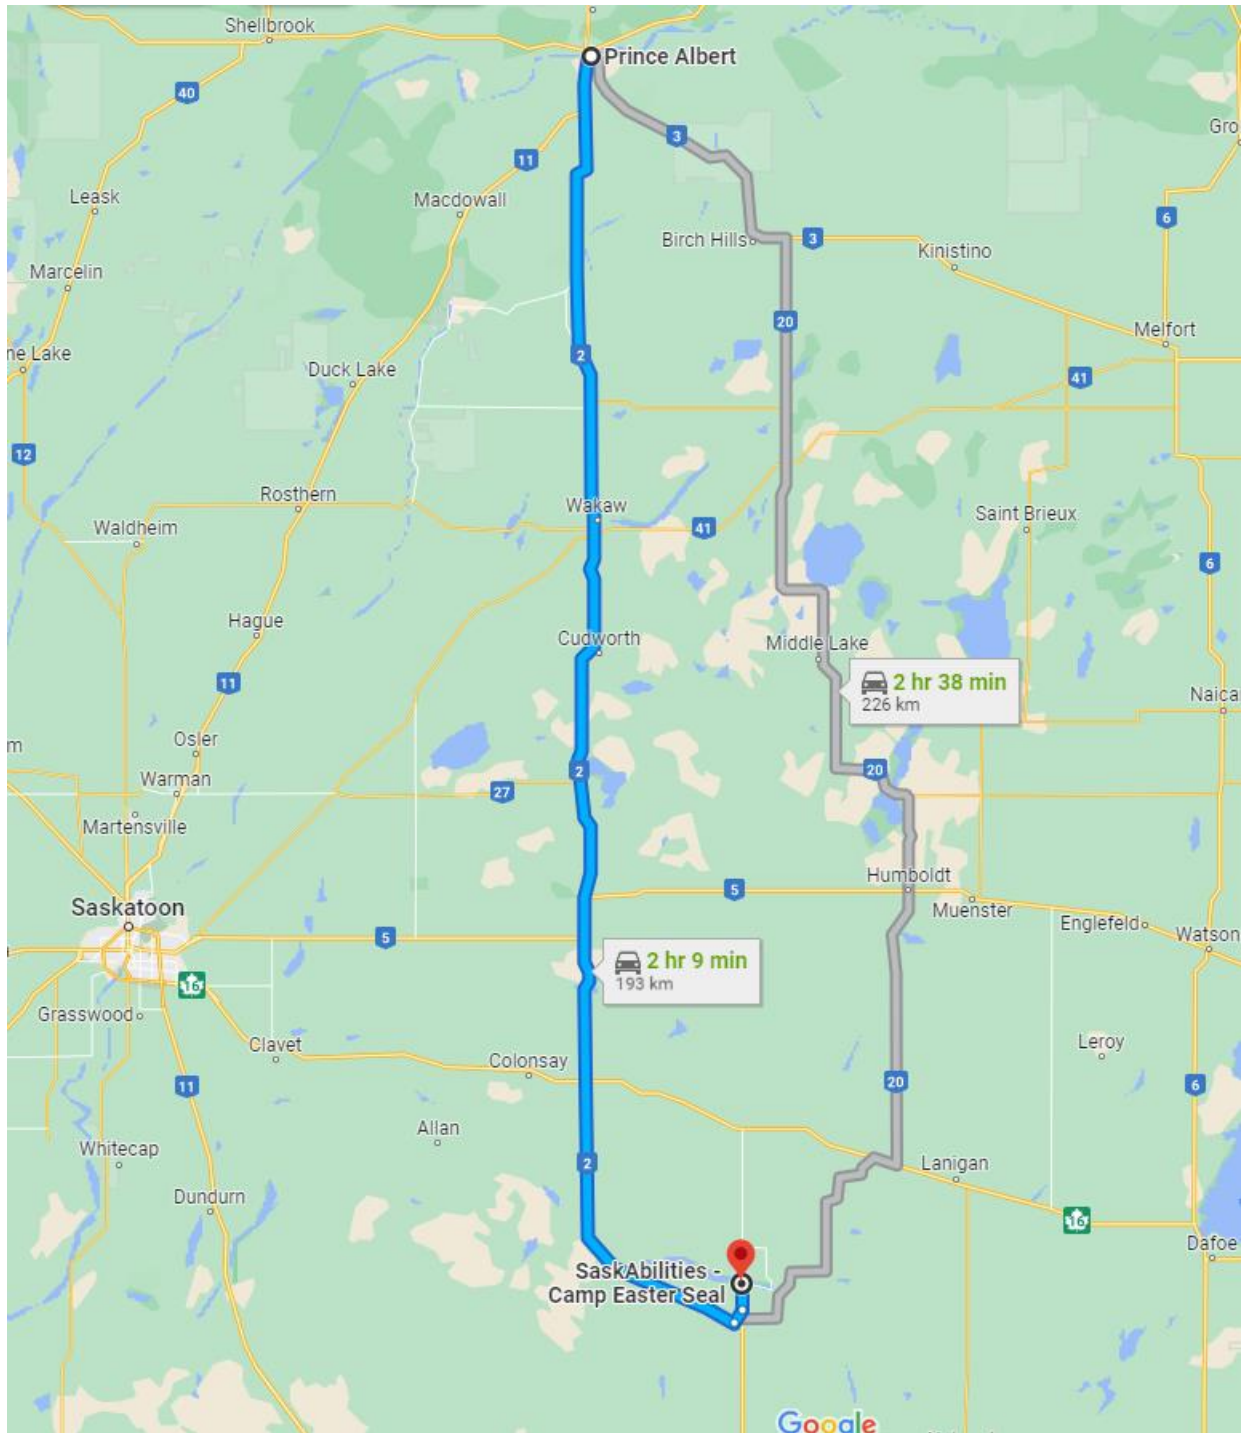

Below are maps on how to get to Camp Easter Seal, located in the Village of Manitou Beach, 7 km from Watrous, SK.

**Note:** If using a navigation system or GPS please ensure your navigation system is taking you through the Resort Village of Manitou Beach. **Google maps sometimes tries to take you down a back road that is a dead end.**
